The band was formed in the summer of 2020 in New York and Pennsylvania. Fresh off the success of his solo project, Neomatik, Ed Kabatsky

(vocals, guitar, and keys) has teamed up with Nicholas Kabatsky (piano), Alek Sleczkowski (guitar), Justin Snyder (vocal) and Joseph Tindal (drums), to

create a perfect blend of creative influence in experimental, indie-rock sounds from an American and Russian perspective.

Born in Moscow, USSR and moved to New York in 1990 at the age of 18. Self-taught guitarist and keyboardist, started his musical journey at the age of 14. His first instrument was a guitar made with his own hands. Upon moving to New York, actively participated in the underground rave and electronic music scene as a musician, music producer and promotor.

His musical style is widely spread between ballads, electronic music, indie-rock, new wave and even symphonic experiments. Released an acoustic album "Collection" in 1998 by Proforma Records. In 2002 appeared on a compilation at "Invisible Power of Electronics" by Zvezda Records. In 2005 participated on C-Arts2 project "33 Tales" by RedKeds. In recent years has switched his interest in the musical styles and completed a full circle back to indie-rock and alternative music,

A journey of love as frontman Ed Kabatsky assembles a perfect blend of musicality, personality, and expressive character with players from across the USA and Russia. Since its release, the debut single Ranger Simon has proven this is a project worthy of notice. Ranger Simon released exclusively in Russian showcases the versatility and mainstream potential of indie-rock crossing genre and language barriers to create a sound appealing to a vast audience.

Judge being the quick follow-up contrasts this dynamic with an English release, yet maintains the tight, rhythmic feel of the previous single. With its clever metaphor on the modern justice system and the raw emotion portrayed throughout the narrative of a subject awaiting sentencing, Judge is an entertaining offering that challenges its listener. Riodine is pleased to announce the long-awaited debut album release of Practical Man. Release is set for December 21, 2021 worldwide.

Ed Kabatsky - main vocals

Upcoming - Practical Man

(release 12.21.2021)

Practical Man is a ten-track offering that is the brainchild of Ed Kabatsky, a Russian immigrant who landed in the USA in 1990. Ed brings a deep, literate inspiration of Russian poetry, and heritage to his music which has been heavily influenced by American indie rock and experimental song structures. This expressive portrayal has translated into catchy harmonious, and melodic songs are sung exclusively in Russian which appeals to a vast audience. Practical Man is a wonderful release, a testament to the maturity and professionalism of Neomatik and the exceptional talent Ed Kabatsky is able to employ to make beautiful, inspiring indie rock tracks with an edge of experimental. Do not be fooled that a songwriter project in Russian would be amiss, this release is highly-entertaining yet challenging for the listener which is quite rewarding.
